Secure Style, Inside-out

Whether it's a striking entrance or elegant interior solution required, this range encapsulates premium Schlage door hardware that is in touch with modern living. Sleek new lever additions, Merano and Manhattan, evolve the design appeal of an already distinctively upmarket selection. Beyond style - easy installation, durability and lifetime warranties characterise these products. So does the uncompromising quality you'd expect from a world renowned security brand. The Schlage commitment to security with integrity is your key to peace-of-mind.

Highly functional style for a lifetime

For 85 years Schlage has been developing security solutions as stylish as they are functional. The entrance handlesets, knobs, levers and deadbolt presented here have been manufactured to meet the most stringent quality standards. A lifetime guarantee reflects the confidence Schlage has in the integrity of its products. It’s reassuring to know that the brand that secures your home also secures many New Zealand schools, universities, government, healthcare and office buildings.
