HB 670

The HB 670 is a variant of the HB 660 with the same external dimensions but a deeper internal depth of 16mm. It is ideal for applying the extra force you need to move large heavy sliders or for when a more generous grip is preferred.

material : diecast zinc and brass

dimensions : 170mm x 36mm x 18mm

internal grip depth : 16mm

Suitable for timber or aluminium doors

Please check with your local Halliday + Baillie representative as not all finishes are available in all regions.
