

Proximity Furniture™

When security, safety, functionality AND stylish design are a priority...there's one solution. Lockwood Proximity Furniture!

Incorporating proximity technology within its sleek external door plate, the reader connects directly to a Lockwood electric mortice lock. Safety and security is further enhanced with an LED lock status indicator.

Easy to install and operate, Lockwood Proximity Furniture is available in a wide range of stylish levers and finishes to enhance any contemporary building design, bringing a new dimension to commercial security locking solutions.

One Install - One Connect.
