Make an Entrance with Schlage

For over 85 years Schlage has added architectural curbside appeal to homes around the world. The expanded range of Schlage entrance handles provides greater breadth of choice. Seven new designs join the family of solutions that echo the Schlage international benchmark of style with an uncompromised high-quality manufactured finish. With choices in scale, material and design to suit any architectural style or budget, Schlage enables the home or business owner to express individuality with lasting integrity.

The expansive Schlage entrance handle collection

From the sleek, symmetrical lines of the Neptune, to the curvaceous form of Stella, design selection is plentiful. Choose handles from 235mm up to 625mm long, made from tubular and solid stainless steel. For a consistent aesthetic appeal inside and out, Stella and Albo are design families that extend beyond the front entrance to internal door hardware. All handles are designed to complement other Schlage furniture to provide a total hardware solution.
