

Artefact Series II Door Furniture

Special Size Push & Pull Plates

Description

The 206/208 Series Door Furniture are 2 mm thick stainless steel or brass plates with 10 mm radius corners. Concealed fixed plates have studs with internal threads located in each corner, visible plates have corresponding countersunk holes and are fixed back to back through the door.

Application

Designed for use with various Nightlatches and 3570 Series Mortice Locks. Specific reference must be made to the cylinder type.
