

STYLELINE 2 / SLIMLINE 2

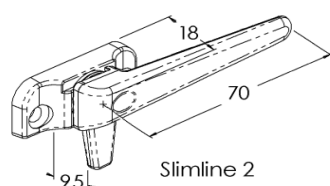

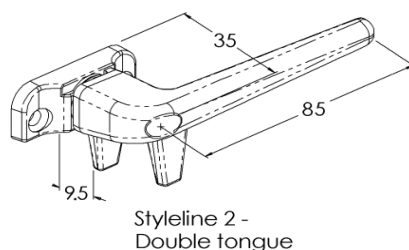

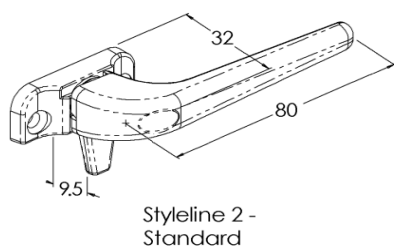

Designed specifically in line with leading architectural innovations, ASSA ABLOY has developed a range of reliable and robust window fasteners. The simple styling and unobtrusive lines of the Styleline 2 and Slimline 2 make both a competitive and attractive range of fasteners.

Options:

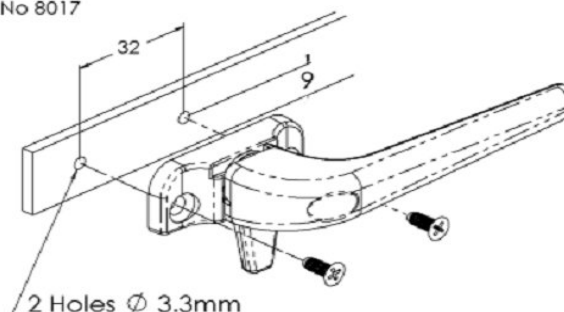

- Available in left or right-handed non-locking options.
- Styleline 2 is available in single or double tongue models.

Features:

- Designed for use with either aluminium, uPVC or timber, top hung or side hung windows.
- Slimline 2 is a low profile fastener for use in by-pass situations.
- **Please note** the double tongue option should not be used as a security device. It is **not** recommended to leave the windows on the double tongue whilst the premises are unattended.
- The fasteners are available in a wide variety of powder coated colours.

RECOMMENDED FIXING
